## ***"Eco gestures" for a sustainable stay***

*At home and at the hotel, all our gestures have an impact on the environment.*

*Therefore, we ask you, where possible:*

- turn off the lights when you leave the room,*
- not to leave electrical appliances on standby, especially your computer,*
- not to leave your phone charger plugged in,*
- not to leave the heating at a high temperature,*
- not to leave the air conditioning too low or too high*
- not to let the air conditioner run if you open the window,*
- not to let tap water run unnecessarily.*

*If you stay several nights, you can reuse your towels.*

*If you want them changed, please put them in the shower, in the sink or on the floor.*

*If you wish to contribute to the sorting, the sorting containers are at your disposal to the right of the exit of the hotel.*

*Report any anomaly or malfunction to reception (water leak...).*

*Encourage gentle circulation: walking or cycling...*

## **Environmental approaches**

*Our hotel is involved in actions around sustainable development and the environment.*

### **Energy**

*Double glazed windows*

*Closing shutters during hot weather.*

*"eco" labeled television*

*Reduction of the energy bill thanks to awareness raising customers and the work team,*

*Reduction of the electric bill thanks to the replacement of almost all light bulbs for energy-saving light bulbs,*

*The common areas are lit with timer and presence sensors. Monitoring of gas and electricity consumption*

### **Water**

*Use of water-saving toilets*

*Reduced water consumption by encouraging customers to reuse towels and sheets.*

*Consumption monitoring to detect any leaks.*

### **Waste**

*Collection of cooking oils by Huiletic  
(association that recycles them into fuel)*

*Sorting of waste by our entire team  
(glasses—plastics—cardboards—batteries—crates, etc.)*

### **Compost for organic kitchen waste,**

*Abolition of individual, pre-packaged portions at breakfast.*

*Responsible purchasing*

*We favor the purchase of environmentally friendly products and local products*

### **Transport**

*Offer our customers low-polluting modes of transport,*

*We provide public transport timetables  
and we offer 2 bikes for rent*

## ***Free WIFI internet access***

*the code is to be requested at reception.*

*WIFI access is free and can be obtained by  
"tourist hotel" on the ground floor and 1st floor  
"tourist hotel 1" on the 1st floor  
"tourist hotel 2" on the 2nd floor*

*Then you have to enter an identifier code  
and a password.*

*Internet connections are logged to retain data  
traffic in the establishment.  
Anti-pedophilia and anti-terrorism Hadopi law.*

*Our presence on social networks*

**Leave us a review  
on google**

## ***Covid-19 special measures***

*We have implemented appropriate preventive measures to reduce the risk of contagion within the building.*

*You can consult our menus and our restaurant menu with your phone.*

*Throughout the building, contact and cross-contamination areas have been identified and are subject to additional cleaning and disinfection.*

## ***Safety instruction in case of fire***

*In case of fire in your room  
if you cannot control the fire:*

- win the exit by closing the door of your room tightly  
and following the signage*
- notify the receptionist*

*If you hear the audible alarm signal  
if the clearances are passable: reach the exit by closing the door of your  
room securely and following the markings*

*if the smoke makes the hallway or stairs impassable:*

- stay in your room*
- show your presence at the window while waiting for the arrival of the  
firefighters*

*Note: a wet door made watertight by makeshift means (damp cloths)  
protects longer.*
